

### **AMENDMENTS TO THE CLAIMS**

This listing of claims will replace all prior versions, and listings, of claims in the application.

#### **Listing of Claims:**

1. (Currently Amended) ~~Aan electronic device comprising a display, a speaker comprising~~including first and second diaphragms enclosing a cavity and being arranged to be driven in opposite phase with respect to one another to cause the diaphragms to move in a same direction so that a volume of the cavity remains substantially constant and wherein the speaker is transparent and is mounted over the display so that the display is visible through the speaker.

2. (Currently Amended) ~~A speaker~~An electronic device according to claim 1, wherein each of the first and second diaphragms comprises an element which exhibits a piezo-electric effect.

3. (Currently Amended) ~~A speaker~~An electronic device according to claim 2, wherein the element comprises a piezoelectric film having a conductive coating on each side.

4. (Currently Amended) ~~A speaker~~An electronic device according to claim 3, wherein the film comprises polyvinylidene fluoride (PVDF).

5. (Currently Amended) ~~A speaker~~ An electronic device according to claim 3, wherein the coating is indium tin oxide (ITO).

6. (Currently Amended) ~~A speaker~~ An electronic device according to claim 1, wherein the first and second diaphragms are mounted on either side of an insulating support.

7. – 8. (Cancelled) Without prejudice or disclaimer to the subject matter contained therein.

9. (Currently Amended) ~~A speaker~~ An electronic device according to claim ~~7~~1, wherein the cavity is filled with a gas to keep the first and second diaphragms in tension.

10. (Currently Amended) ~~A speaker~~ An electronic device according to claim 9, wherein the gas is sulphur tetrafluoride.

11. – 12. (Cancelled) Without prejudice or disclaimer to the subject matter contained therein.

13. (Cancelled) Without prejudice or disclaimer to the subject matter contained therein.

14. (Currently Amended) ~~A speaker~~An electronic device according to claim ~~12~~22, wherein the cavity is filled with a gas to keep the first and second diaphragms in tension.

15. (Currently Amended) ~~A speaker~~An electronic device according to claim 14, wherein the gas is sulphur tetrafluoride.

16. – 17. (Cancelled) Without prejudice or disclaimer of the subject matter contained therein.

18. (Currently Amended) An electronic device according to claim ~~17~~1 which is portable.

19. (Original) A portable electronic device according to claim 18 comprising a mobile telephone.

20. (Cancelled) Without prejudice or disclaimer of the subject matter contained therein.

21. (Currently Amended) An electronic device according to claim ~~20~~1, wherein the speaker comprises a piezoelectric film speaker.

22. – 28. (Cancelled) Without prejudice or disclaimer of the subject matter contained therein.
